

NYC DISCOVERY

June 16th – 20th, 2025

New York City is an epic saga awaiting discovery. Join us as we take a bite out of the Big Apple to learn about the people and sites NYC is famous for.

Our trip starts with your arrival in Times Square! We'll meet at the hotel and get ready to explore NYC with our new group of friends for a fabulous experience. NYC is described as cool, cosmopolitan, crowded and constantly evolving... It's a jumble of raw energy and amid the Big Apple's iconic landmarks and towering skyscrapers, you'll experience a vibrant culture permeating each of the city's distinctive neighborhoods and boroughs. Admire the cutting-edge art collections of world-renown galleries and museums, catch a show on Broadway and sit down for a meal at an iconic Times Square restaurant. New York is a city filled with action, purpose and interest!

“As the most populous city in the U.S. – set at the forefront of food, fashion and the arts – NYC requires stamina. But don't let the Big Apple's frenetic sights and sounds intimidate you from soaking up its grandeur. Wander through the concrete jungle and you'll discover roaring taxis zipping down bustling blocks, fast-paced pedestrians strolling past on their way to marquee galleries and trendy cocktail eateries, and Times Square's neon lights flickering at all hours. And yet, the city's twinkling lights and chaotic corners also invite you to embrace every New York
