# SKI CIVETTA

“A Fairytale Landscape”

Set spectacularly below the looming Monte Civetta and above the deep valley and lake at Alleghe in the Italian Alps, Civetta ski resort is the Dolomites best kept secret. With beautifully maintained quiet ski runs, a modern lift system and 3 valleys of connected skiing, this is the perfect choice for school groups. It boasts over 90kms of snow-sure slopes and offers a wide scope of runs for the adventurous and equally dramatic and gentle skiing for the learners and improvers. The slopes are wide and always ideally prepared granting beautiful views of the Dolomites all day long. With a relaxed atmosphere, students of all abilities will progress under the guidance of the English-speaking ski school. And with illuminated slopes, Civetta is one of the largest night-ski areas in Europe. An experience not to be missed!

Included with this trip is a city break to incredible Venice! A definite must-see and an experience second to none. Venice is the capital of northern Italy’s Veneto region and built on more than 100 small islands in a lagoon in the Adriatic Sea. It has no roads, just canals – including the Grand Canal thoroughfare – lined with Renaissance and Gothic palaces. Known as one of the world’s oldest tourist and cultural centers, Venice is truly an amazing experience. While here, we’ll have a private city tour plus get to see Doges Palace and St. Mark’s Basilica. Get ready for a brilliant ski week!

- Point of Entry: Venice, Italy
- Accommodation: Groups will have accommodation in Civetta. Hotels will be confirmed once your registration is completed. Sample hotels include:  
**Hotel Corona** - This traditional and comfortable hotel is a huge success with groups who are impressed by the panoramic views over the valley from the restaurant and the atmospheric downstairs lounge and bar. The food is plentiful with buffet breakfasts and Italian favorites for dinner. Guest rooms sleep up to 6 students and a downstairs games and meeting room is perfect for après ski evenings. Complementary hotel shuttle to the lifts is provided.  
**Residence Civetta** - This Residence Civetta offers the best location, central to the village and overlooking the mountain and main gondola. Perfect for groups who are comfortable using apartment-type rooms, all of which are a traditional wood design, and very comfortable. Rooms sleep between 2-8 students, complete with a balcony or patio and a fully equipped kitchen. Each apartment offers an LCD TV with satellite channels and free WiFi. Breakfast is served on the slopes; dinner is at a nearby hotel.
- Winter Sports: Student package includes 5-days of skiing/boarding with 5-hours of group lessons daily, staff package includes 5-day lift and rentals. Students may be beginners with no experience on snow or an expert ability level, grouped by experience. All students will participate under the tutelage of a winter sports instructor. Groups generally ski/board for 2-hours in the morning, have a lunch break, and then 3-hours in the afternoon. Teachers can enjoy the mountain while students are in classes. On the 4<sup>th</sup> day of skiing, we have our normal day skiing but then in addition, for an evening activity, we have the opportunity to participate in a supervised night skiing experience under the floodlit mountain slopes. It's fabulous!
- Instruction Size: General clinics are generally 10-12 pupils of similar ability level. Snowboarders must have a minimum of 8 of similar ability to comprise a group. At times, boarders may be mixed with ski groups or included in general adult/family clinics. This is not guaranteed until arrival though, so pupils may be asked to switch to a ski instruction package.
- Equipment: Equipment for the week is issued on-mountain and students/staff must care for and store their equipment nightly. Helmets are included for each person. Fitting of equipment (ski fit) will take place prior to the first morning's lessons, based on scheduling. Because our package is bundled, if anyone brings their own equipment, package discounts are unavailable.
- Transportation: Motorcoach/shuttle transportation is provided from the Venice Airport to the resort. Once at the resort, no transport is required; groups walk to/from the starting point daily. After the ski week, a motorcoach/shuttle in combination with water taxis will transfer the group to Venice, and then a water taxi will be used to get back to the airport upon completion of the trip. A courtesy mini-bus is also available at the Hotel Corona if needed for transport to/from the slopes.
- Meals: Daily breakfasts and dinners are generally served at your hotel. Hot lunches are taken on mountain at the base cafeteria and consist of a basic offering. If students wish to

upgrade their lunch or add beverages other than water, these are available for individual purchase.

**Evening Activities:** As part of the Civetta package, groups will have evening activities such as a movie or quiz night, an ice skating night (dependent upon weather), a disco night, an evening of night ski, plus a presentation evening organized with the school staff. At extra cost, students may participate in snow sledding and tubing, subject to weather conditions.

**Emergencies:** Injured parties are transferred to the medical center at the bottom of the gondola for assessment. If they need to go to hospital they will be transferred by ambulance to Belluno Hospital (approximately 40 minutes) with a member of the school staff. Once treatment has been completed hospital staff will arrange a taxi return to resort. Schools should be prepared to pay transport fees in cash.

**City Break:** Groups will have a City Break in stunning **Venice, Italy**. While there, we'll have a private guided tour including Doges Palace and St. Mark's Basilica.

**City Break Meals:** While in Venice, groups will be on their own for lunch, we will dine out for dinner, and breakfast will be at the hotel. Lunch/dinner on departure day are at own expense.

**Insurance:** All groups are required to carry travel insurance / trip protection. This may be purchased from any provider you select however it is a mandatory requirement of travel. If elected, groups located in the USA are able to purchase this through Trip Mate from our site during the registration process.

**Ambassador:** We provide an in-resort Ambassador for each of our traveling groups. Your Ambassador will meet you at the hotel and stay with your group during your time here.
