a specific number of rooms allocated. Please know that if rooms needs to increase due to male/female break-out, this will affect the student costs.

- Winter Sports:** Ski/Board package includes 5-days of skiing/boarding with 5-hours of group lessons daily for students. Staff package includes 5-day lift and rentals. Students may be beginners with no experience on snow or an expert ability level, grouped by experience. All students will participate under the tutelage of a winter sports instructor. Groups generally ski/board for 2.5-hours in the morning, have a lunch break, and then 2.5-hours in the afternoon. Teachers can enjoy the mountain while students are in classes.
- Instruction Size:** General clinics are generally 10-12 pupils of similar ability level. Snowboarders must have a minimum of 8 of similar ability to comprise a group. At times, boarders may be mixed with ski groups or included in general adult/family clinics. This is not guaranteed until arrival though, so pupils may be asked to switch to a ski instruction package.
- Equipment:** Equipment for the week is issued on-mountain and students/staff must care for and store their equipment nightly. For skiers, equipment includes skis, boots and poles; for boarders equipment includes boards and boots. Helmets are included for each person. Fitting of equipment (ski fit) will take place prior to the first morning's lessons, based on scheduling. Because our package is bundled, if anyone brings their own equipment, package discounts are unavailable.
- Transportation:** Motorcoach/shuttle transportation is provided to/from the resort daily plus all evening activities. We use airport transfer vehicles only for the first and last days (entry/departure to/from Utah) so if you need to extend your usage time, please let us know and we will determine a specific rate based on your needs. During days 2 – 6, you have a full-time vehicle/driver assigned to your group.
- Meals:** Daily breakfasts are served at your hotel and are considered extended continental. Dinners are served via dine-around (meaning several local restaurants are used). Lunches are purchased on own, paid for independently in the base lodge or a number of on-mountain restaurant options. Lunch/snack/beverage budget while on-mountain should be \$25-\$30 USD pp.
- Evening Activities:** As part of the Snowbasin package, groups will have three or more general evening activities included such as a shopping night at a local mall, ice skating, Surf-n-Swim and Boondocks. We leave the evening of Day 2 open as the students are usually pretty tired from their first full day on the mountain coupled with altitude. If groups would like to add something, we suggest a cinema night, purchasing independent tickets.
- Extra Activities:** There are also a range of pay-to-play activities that may be added to your itinerary. These include [Utah Jazz](#) professional basketball, [Utah Grizzlies](#) semi-pro ice hockey, [Utah Bees](#) baseball (in spring), [College games](#) for basketball and baseball, [Temple Square](#) tour, tons of museums and other activities in [Salt Lake City](#), [iFly](#), [Hill Aerospace Museum](#), [Fly High Trampoline Park](#), a day excursion to [Antelope Island](#) before you fly out, or even extra days added in [St. George](#) to explore and hike our incredible Utah [National Parks](#). Let us know how we can set up your experience to be the very best!
- Emergencies:** If medical care is required, guests are taken via ambulance to a local hospital or medical facility dependent upon injury. Air evacuation is available.
- Insurance:** All groups are required to carry travel insurance / trip protection. This may be purchased from any provider you select however it is a mandatory requirement of travel. If elected, groups located in the USA are able to purchase this through Trip Mate from our site during the registration process.

Waivers: Waivers are required for the ski resort, equipment rental and some activities in addition to our standard waiver. Waivers are not negotiable. Ambassador: We provide an in-resort Ambassador for each of our traveling groups. Your Ambassador will meet you at the hotel and stay with your group during your time here.
