

Are you ready to go diving?

2023 FAMILY & FRIENDS WEEK

Cozumel, Mexico – June 10 - 17, 2023

For beginning divers, certified divers & land lovers!

Join us in our favorite dive destination – Cozumel, Mexico! Continually named in the top dive locations in the world, Cozumel is Mexico's largest island, nestled just 12 miles off the coast of the Yucatan Peninsula. Before becoming famous for diving, the island was a small community of fishermen until Jacques Cousteau told the world he had found one of the most beautiful diving areas in his travels. Since that time, Cozumel has become an underwater marine park to protect the delicate balance of its dazzling coral reefs and abundant variety of tropical fish. The underwater wildlife is stunning, you'll feel like you've been dropped into a tropical fish tank! The island is also world renowned for its incredible white sandy beaches!
